Last week on [School Library Journal](#) I published a list of my favorite new and or significantly updated apps and websites of 2014. That list was based on my anecdotal evidence of judging reactions from people when I demonstrated those apps in workshops and the web traffic to blog posts about them. But I want to see what all of you think are the best new apps and websites of 2014. To that end I have created the one question survey that is embedded below. I will publish the results on December 23rd.
